Dear : MICHIGAN SHIGA SISTER STATE BOARD

It is with my deepest gratitude, and on behalf of the people and Government of Japan, that I write to express profound thanks to you for your sympathies and kind donation made in the aftermath of the Great East Japan Earthquake.

As conditions on the ground in Japan will remain difficult for weeks to come, your generous donation will be of immeasurable aid to relief and rebuilding operations now underway.

In due time, I am confident that the Japanese people will fully recover from the effects of this devastating tragedy, and I can assure you that they will long remember and honor the kindness you have shown them.

I respectfully request that you continue to keep Japan in your thoughts and prayers.

Sincerely yours,

Kunihiro Matsuda
Consul General of Japan

To all the board members;

I couldn't find enough words to express how appreciative I am of your continued support for relief efforts in Japan. All monetary donations received by our office are forwarded directly to the Japanese Red Cross Society, and are distributed to the affected families in the most proper way.

I hope to have an earliest possible opportunity to meet with you and personally express my deepest gratitude. K.M.
